GRAND PRIX PRESENTATION

GRAND PRIX OF MALAYSIA

SEPANG, MALAYSIA

30-31 OCTOBER-1 NOVEMBER 2026

GUEST INTRODUCTION

Welcome to the **Red Bull KTM Tech3** team!

If you are receiving this document, it is because we are getting ready to welcome you for a packed-action weekend of MotoGP at the **paddock in Sepang**, and the whole team is super excited to count you amongst us this weekend, which marks **round 19** of the **2026 season**.

In this guide, you will find a good **amount of information**, that should be useful to you during the course of the GP, and hopefully it will make your life easier understanding what is happening, and where you can go!

Unfortunately, the final roar of Phillip Island in Australia was not the one we all wanted after all Sunday races were cancelled last week at the Australian GP, as heavy rains and low visibility prevented the medical helicopter to fly to the track. Our **MotoGP** riders **Enea Bastianini & Maverick Viñales** will therefore be even more eager to return to race action in Malaysia this week, a track well known by all riders, as pre-season testing is yearly held at the Sepang International Circuit. Both riders will already have their references from February to build on for the weekend ahead.

In the **Moto3** class, you will be able to see **Valentin Perrone** and **Rico Salmela** in action, who, just like their MotoGP teammates, will be even more hungrier for a new race week, as totally different conditions - hot & humid - now await!
